

Japan fully opens for all tourists including FIT TOURISTS! From October 11, 2022

***NO visa needed! NO ERFs needed!
NO guided package tours needed!***

Finally Japan has lifted the border measurements and will accept all leisure tourists freely tour around without no restriction. Still the COVID-19 has not died out yet and Vaccination Certificate, Travel Insurance, prior registration to Visit Japan Web and My SOS apps will be highly important to travel safely and smoothly.

To all of you who have been longing to visit Japan!
ALTOUR JAPAN will prepare everything you need for the most luxurious and memorable tour you could experience!

Individual visitors will be allowed to enter, and Japan will reinstate visa waivers. The cap on daily arrivals in Japan will also be ended.

Discounts for domestic travel will be introduced at the same time after seeing a tourism boom before the pandemic, airlines, hotels and retailers are all seeking to regain the business they lost.
